TITLE FIGHT DECIDED AT SONOMA:

The Verizon IndyCar Series championship has only two eligible drivers, but the championship lead has belonged to one driver since early in the season. Simon Pagenaud took control of the championship standings following a torrid start to 2016 with five finishes of first or second in the first five races and carries a 43-point advantage over Will Power into the GoPro Grand Prix of Sonoma. Pagenaud can win the title with a finish of fourth or better.

WHAT TO WATCH FOR THIS WEEKEND:

BAY AREA IS TITLE TOWN: The Verizon IndyCar Series championship will be decided in the final race for the 11th year in a row, with Sonoma Raceway hosting the finale for the second straight season. The Verizon IndyCar Series championship will be the fourth major sports title clinched in Northern California this year alongside the NFL Championship (Denver Broncos defeated Carolina Panthers in Super Bowl 50 in Santa Clara), NBA championship (Cleveland Cavaliers defeated Golden State Warriors in Oakland) and NHL Stanley Cup Championship (Pittsburgh Penguins defeated San Jose Sharks in San Jose).

TOASTING TEAM PENSKE'S SUCCESS: Team Penske looks to add to its dominance at Sonoma Raceway. The team, which is celebrating its 50th anniversary in 2016, has won five of the last eight races at the track and won the pole position six times. One of Penske's title-contending duo of Will Power and Simon Pagenaud will celebrate a championship. Can they or teammates Juan Pablo Montoya and Helio Castroneves also provide team owner Roger Penske more hardware this weekend?

LAST CHANCE TO CLAIM A WIN IN 2016: Indy car race winners Helio Castroneves, Ryan Hunter-Reay, Tony Kanaan, Charlie Kimball, Carlos Munoz and James Hinchcliffe have finished on the podium in 2016, but they are still looking for a trip to Victory Lane. Can one of these drivers win the final race of the season and become the ninth driver to win a race this season?

LED DISPLAY PANELS:

POSITION: RED

Primary display, showing the car's position in the running order. Blinks when the position has changed from previous lap.

Example: Car is running in P12.

PUSH-TO-PASS: FLASHES GREEN

Display flashes "PP" in green while the car's push-to-pass is active.

Example: Car with active P2P.

PIT STOP TIMER: GREEN

Display shows a running clock during a pit stop in seconds.

Example: 7.9-second pit stop.

Firestone | FAST FACT

The Verizon IndyCar® Series has used more than 15,500 Firestone race tires so far this season. If you were to lay those tires side-by-side they would stretch more than six miles or nearly four Golden Gate Bridges.

Ladies and gentlemen, start your phones.

Verizon customers, text **INDY** to 500100 for exclusive access to the Verizon Pit View, Victory Lane and so much more.
